Physics – OHS Grading Scheme For

		Possible	Actual
Student Name		1	____
Organized Into Labeled Sections		3	____
Brief Description		3	____
2 Data Tables			
-- drawn with a straighedge		3	____
Table 1	correct units	2	____
	Title	2	____
Table 2	correct units	2	____
	Title	2	____
Graph 1	descriptive title	2	____
	Correct units	2	____
	Reasonable scale	2	____
Graph 2	descriptive title	2	____
	Correct units	2	____
	Reasonable scale	2	____
Book Questions:		4	____
Clearly state which masses were predicted by reading the graph and then compare the prediction and the measured value		4	____
Conclusion – including citing some Evidence to support whatever is said in the conclusion.		4	____
Total Possible =		42	____
